Robert,

Somehow when this bill went through bill drafting, some weird things happened—and there are some tech edits. If making these are pre-clusive from the bill running, we can always agree to make the changes in the Senate. However, I am attaching them for your consideration. If it would be helpful, we can go through and make them in another document. I also have several other documents I can send to your attention.

Let me know when you would like to discuss. I'm around anytime. My cell is 3048812615. I also can have an expert available to discuss any of this in a committee meeting.

Many thanks!
